## Diversity & Inclusion Task Force Report

Dear Members of the University Community,

As I announced today in my Convocation address, the final report from the Task Force on Diversity and Inclusion is now posted online at <https://www.scu.edu/diversity/initiatives-and-reports/task-force-on-diversity-and-inclusion/>.

The report is the culmination of four months of work by the Task Force to prioritize the suggestions put forward by the Blue Ribbon Commission in December. Led by Elsa Chen as Chair, the task force included Anna Sampaio, Linda Gerber, Hsin-I Cheng, Lester Deanes, Denise Castillo-Chavez, Jahwala Johns, Zipporah Ridley, and Ray Plaza as staff to the Task Force.

To assist me in bringing the Task Force recommendations into reality and engaging our collaborative governance system, Ray Plaza has agreed to manage the next steps this year. Ray will be working with a number of campus stakeholders on timelines and accountability to ensure continued progress.

I thank the Task Force for their work and invite you to read their final report [here](#).

Sincerely,

Michael E. Engh, S.J.  
President
